SCORING KEY FOR PART I

To hand score Part I, use the following procedure:

1. Allow 1 credit for each correct response in the chart below.
2. Do *not* allow credit if two or more answers have been marked for the same question.
3. To obtain the raw score for Part I, count the number of correct responses and record the student's raw score in the appropriate box on the answer sheet.

Note: A transparent scoring overlay is no longer available.

Retain this scoring key for future use. Do *not* return it to the State Education Department.
