Please photocopy this Notice and give a copy of it to each teacher scoring the Chinese (Simplified) or Chinese (Traditional) editions of the Regents Examination in Global History and Geography II.

This notice applies only to students who used the Chinese (Simplified) or Chinese (Traditional) editions of the Regents Examination in Global History and Geography II, either exclusively or in conjunction with the English edition.

Due to a typographical error in Question 34a, all students who used the Chinese (Simplified) or Chinese (Traditional) editions, either exclusively or in conjunction with the English edition, should be given credit for both Questions 34a and 34b.

Make sure to darken the circle for “Chinese (Simplified)” or “Chinese (Traditional)” in the box labeled “Alternate Language” on the answer sheet for all students who used either the Chinese (Simplified) or Chinese (Traditional) editions of the Regents Examination in Global History and Geography II, either exclusively or in conjunction with the English edition.

We apologize for any inconvenience this may cause you, and we thank you for your hard work on behalf of the students in New York State.
